To Whom It May Concern,

After serving on the Lafayette Youth Commission for three years, I will be going to college in September and will no longer be able to serve on the commission. It has been a wonderful experience and everything that I have learned throughout my experience on the commission will greatly help me in my future endeavors. Not only was it fun and enriching but is opened my eyes to all that goes on in a community. I am very grateful for the opportunity to be apart of the commission and I will always remember by experiences with the Lafayette Youth Commission.

Sincerely,
Brayton Noll
